

MTEC 2019

International Maritime and Port Technology
and Development Conference

The 2nd International
Conference on
Maritime Autonomous
Surface Ship – ICMASS 2019

Trondheim, Norway – November 13th and 14th 2019

First Announcement and Call for Abstracts

Initial paper selection will be based on a one or two-page abstract for one of the conference tracks. All abstracts will be reviewed by the Scientific Committee. The selection criteria are relevance, quality and originality. Authors of accepted abstracts will be asked to give either an oral or poster presentation. All authors of accepted abstracts are invited to submit full papers for peer-review. Preparation of full papers is optional. These will go through a full peer-review and successful submissions will be published in an accredited journal or proceedings.

Please send us your abstract using the conference template available at www.mtec-conf.org, within 31st January 2019. Conference deadlines are:

- Abstract submission deadline: 31st January 2019
- Abstract acceptance: 15th February 2019
- Full paper submission deadline: 1st June 2019
- Early registration: 15th June 2019

The MTEC conferences alternates between Singapore and Trondheim and is arranged every second year. ICMASS is arranged yearly by the International Network for Autonomous Ships and have different venues. The joint conference is a meeting point for industry and academia and aims to present relevant scientific papers with clear technical applications as well as more application-oriented results.

The conference cover port and ship technology in the following main tracks:

- Maritime Digitalisation
- Autonomous Systems and Vessels
- Green Shipping

The conference is organized by SINTEF Ocean and NTNU in Norway and co-organized by MPA, NUS, NTU, SMA and NP in Singapore. Partners from the International Network for Autonomous Ships co-arrange the track on autonomous transport systems. The Research Council of Norway is supporting the conference.
